## VALUE OF THE MONTH

### WISDOM

### James 3:13

'Who is wise and understanding among you? Let them show it by their good life, by deeds done in humility that comes from wisdom.'

## Message from Mrs Jones

Dear Parents,

I hope you had a good week at half term, it was so good to be out and about and meeting up with family and friends. We are still unclear as to what we can do this half term and are awaiting advice from the Local Authority. As soon as we can we will update you.

We have joined Nursery with KS 1 bubble in order to aid transition for our new Reception intake, this will continue this half term but we will make changes if cases begin to rise in this area.

Interviews are taking place in school next week so we will let you know about classes for next year very soon.

Have a lovely weekend.

God Bless

Mrs Jones

## Fundraising Update

The final count is in following the Race for Life and we have raised an amazing **£1,361 for Cancer Research UK!!!** Thank you so much to everyone who raised money and to everyone who donated towards such a good cause.

We would also like to say thank you to local company Awarded2U for the wonderful trophy awarded to the winning house which was Elgar.

# Visit from Wye Valley Falconry

Nursery, Class 1 & 2 were treated to an amazing surprise before half term with a visit from Luke and the beautiful birds of prey from Wye Valley Falconry, as part of their 'Carnival of the Animals' topic. The children, if they wanted, took turns to hold Trench, a white faced owl which originate from North Africa.

# Bellboating Trip

On Tuesday 8th May, Year 4, 5 and 6 went bellboating on the River Sever. We set off from Upton Marina and paddled upstream towards Hanley Castle, stopping halfway in the shade for a snack on the boat. We then continued paddling until lunchtime. In the afternoon, having built up our confidence, we were able to paddle standing up and some children even challenged themselves with the "catwalk" walking up and down the middle of the boat. We were so lucky with the weather and spotting wildlife including signets and ducklings. It was a pleasure to take all the children on this trip and they represented the school brilliantly.

The children looked like they had a wonderful time over half term! Please remember to upload any photos that you'd like to share onto Tapestry with the subject 'Newsletter'.

# NURSERY NEWS

This week in Nursery we have been exploring our new topic for the term which is all about growing. We've also had some lovely weather this week so on Monday we started off with a very exciting P.E session with Lauren! Out on the field we were split into two teams and we all had to use different sized containers to transport the water from one bucket to another before the other team. We then got to play with water balloons, we all got very wet but had lots of fun. On Tuesday Katrina was showing us how tall we are compared to sunflowers and we all took it in turns to measure our height. Our story of the week this week is The Scarecrows Wedding and Kelley has been bringing the story to life by helping us to create our own scarecrows. This week we have been enjoying the beautiful sunshine and have thoroughly enjoyed playing outside with the water wall and lots of other water activities.

## STARS OF THE WEEK
