VALUE OF THE MONTH - COURAGE

Joshua 1:9

“Be strong and courageous. Do not be afraid; do not be discouraged for the Lord your God will be with you wherever you go”

Chosen by Mrs Symonds

A Message from the Headteacher

What a couple of weeks we have had! I just wanted to say a huge thank you to Ms George and all the staff at school for everything they have done in order to get children back to school safely. This year is certainly testing our resilience but throughout everyone has remained positive and focused on what is important. Thank you for the way you have all supported the school and your children in what I know are very trying times for everyone. Home schooling, whilst trying to do your own jobs, is hard work and requires so much patience, organisation and strength. I admire all of you for coping so well.

I will return to school very soon and remain in touch with everyone on a daily basis and they are doing a great job. In the meantime I will plan for Christmas at Cradley, which will be a little different this year, and I will let you know the details next week. As always we must be guided by national restrictions, the local authority and Public Health Herefordshire. God Bless you all.

Mrs Jones

Lots of great home learning last week, well done everyone!

Don't forget to use Easy Fundraising when doing your on-line Christmas shopping – especially as today is Black Friday!! Just download their app and search for Friends of Cradley School, it really is so easy!!

Mrs Huckerby's Retirement

When someone leaves a community such as ours they leave a big space in our lives but also a big part of themselves here too. Today we have met together to say a huge goodbye and thank you to Mrs Huckerby who has been a part of Cradley School for over 15 years. She joined the school as a parent when her own girls were small and has worked as a teaching assistant, one to one support, swimming teacher, PE teacher, Forest School leader and lunchtime supervisor. Mrs Huckerby has worked across all ages in school and has shared her love of everything physical with us from circuits to netball coaching and choreography.

Mrs Huckerby will be remembered for her enthusiasm, her patience and her Cradley team spirit. Mrs Huckerby has accompanied so many teams to fixtures, bell boating, been on residential, taught dances for the end of year play, led aerobics sessions, as well as supporting children to learn to read, write and with their Maths.

Mrs Huckerby is one of the most patient people I know. I have observed her trying to teach a concept to a child who just didn't get it and talk a child with special needs out of a frenzy and stopped them running away from school.

We are all going to miss her very much and although she is officially retiring I am sure it won't be long before she is exploring new adventures. Thank you, Mrs Huckerby, for everything you have done for all the children at Cradley School over the years. We wish you well and hope you have a long and fun filled retirement.

Love from Mrs Jones and all of the staff and children at Cradley School

Message from Herefordshire Council

Herefordshire Council is developing a Physical Activity Strategy to develop a clear approach to physical activity within the county. This will be informed by local priorities and developed in partnership with key stakeholders. As part of this process, we would like to hear from local residents to understand their habits in relation to physical activity, exercise and sport. We would really appreciate it if you could fill in the survey found here: <https://www.surveymonkey.co.uk/r/HerefordresPA>
