

English:

As readers and writers we will complete our daily Phonics with Mrs Jones. We will continue with our 'Talk for Writing' sessions with Mrs Symonds whereby we will use the following texts to inspire and motivate our writing:

- Farmer Duck by Martin Waddell.
- Little Red Hen.
- The Hungry Caterpillar by Eric Carle.
- Tiddler by Julia Donaldson
- Rainbow Fish by Marcus Pfister.
- Hooray for Fish by Lucy Cousins.

PSHCE:

The Key Questions we will be exploring are: What is the same and What is different about us? Who is special to us? We will be using the following animal themed books to help us discuss these questions: Giraffes Can't dance, Slightly annoying Elephant, Sharing a shell and Rainbow Fish. Our Marvellous Me Show and Tell will also allow us to share what is special to us.

ART:

As Artists we will be following the work of Antoni Gaudi. We will be inspired by his works to create our own exotic birds.

D&T:

As designers we will be using the knowledge that we have learnt in Geography to help us design and make our very own shoebox aquariums.

Maths:

Our Year 1 Mathematicians will be taught by Miss Lewis.

This term we will be covering:

- Addition and subtraction
- Money and Time
- Multiplication, Division and Fractions.
- Measure, Shape and Data.

History:

As Historians we will be learning about 'Saint Saens', a French composer. 'The Carnival of the Animals' was one of his best-known works and will underpin this topic.

Science:

As Scientists we will be learning about plants. This will include developing a good understanding of how to look after plants as well as being able to use the scientific terminology when discussing them. Our Science sessions will be practical and we will be having a weekly gardening session.

Summer Term 2021

To our super Year 1s,

We are so grateful to be back in school altogether. During the Summer Term we will be learning about a very exciting topic: 'Carnival of the animals'.

We know you will love this!

Mrs Symonds and Miss Featherstone

Music:

As musicians we will be looking at the French Composer 'Saint Saens'. We will be listening, responding, and learning all about his famous 'Carnival of the Animals' piece.

Computing:

As ICT technicians we will be introduced to the key principles of coding through our age appropriate Scratch Junior

Spanish:

As linguists we will focus on the vocabulary for 'Food' and 'Days of the week'. We will be using the Spanish version of the 'Hungry Caterpillar' to help us learn this vocabulary.

PE:

As athletes we will be focusing on traditional games with an emphasis on teamwork and team spirit. During the second half of the term, we will be practising our traditional athletic skills. We will also have a weekly Forest School session whereby the focus will be on balance, coordination and activities which require cooperation.

RE:

As religious thinkers we will be exploring 'Which Stories are special to Christians and Why?'
